Form 1099-INT (interest earned or paid) returns include, but are not limited to, the following information reportable on an information return. Examples of information return with the IRS must obtain your correct taxpayer identification number (ATIN), or employer identification number (SSN), individual taxpayer identification number (ITIN), adoption identification number (TIN) which may be your social security number (SSN), or federal tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is not disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner.
